

TECHNICAL DATA SHEET MOBILE WASHING SYSTEM

LA SEMPLICE SW

Model: LA SEMPLICE SW

Cleaning Power: 13 mt height

General Features

Material
Stainless 304

Low water
consumption

Compatible with
Any Detergent

Multistage
washing pump

Washing
Pressure
20 bar

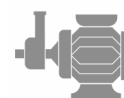

Jet Cleaning
Range 13 m

Maximum
Maneuverability

Max weight
144 kg

Self-priming
pumps
in PTF

Max Power
Consumption
4 kW

TECHNICAL DATA

Power Supply: Three-phase 380/400 V

Power Consumption: Max 4 kW

Tank Capacity: Up to 180 L

WASHING PUMPTechnical Data

Pump Brand: Lowara

Pump Type: Multistage

Material: Stainless Steel AISI 304

Pump Frequency: 50 Hz

Tank: Up to 180 L

Flow Rate: 60 L/min

Max Pressure: 20 bar

FEATURES

Doors: Adaptable to any need

Piping: Customizable for every
requirement

EQUIPMENT

Water Tank: Yes

Detachable Handle: Yes

Washing Head: Rotating 180° and 360°

Adaptable Tank Doors: Yes

ACCESSORIES

Assembly pipe washing kit

Suction kit for reverse slope tanks

DIMENSIONS:

Product Dimensions: 120x80x100 cm

Shipping: On Euro pallet

Net Weight: 155 kg

Weight with Packaging: 210 kg

PATENT NUMBER: 0001408069
